1. My staff advises that the Office of Training would do well to receive your issuance "Review of National Intelligence." If there are no problems, could you please place the Intelligence Institute, OTR, on the regular distribution list and, if it is at all feasible, send us any back issues that have been produced to date. If the issuance gets into the codeword area, let us consult as many of us have a number of the tickets, but not all of them by any means.

2. Thanks in advance for your cooperation on this and for the willingness of you and other IC Staff officers to make presentations in support of the training mission.
